

if $b \leq 1.000$

```
graph TD; A([if b ≤ 1.000]) -- yes --> B([send1]); A -- no --> C([cd]);
```

The diagram is a flowchart representing an if statement. At the top is a white rounded rectangle containing the text 'if b ≤ 1.000'. Two arrows originate from the bottom of this rectangle. The left arrow is labeled 'yes' in a light gray font and points to a blue rounded rectangle containing the text 'send1'. The right arrow is labeled 'no' in a light gray font and points to an orange rounded rectangle containing the text 'cd'.

yes

no

send1

cd
