

if coin2 <= 1.000

```
graph TD; A("if coin2 <= 1.000") -- yes --> B(done); A -- no --> C("__random__");
```

A flowchart illustrating a conditional statement. At the top, a white rounded rectangle contains the text "if coin2 <= 1.000". Two arrows originate from the bottom of this rectangle. The left arrow is labeled "yes" in light gray and points to an orange rounded rectangle containing the text "done". The right arrow is labeled "no" in light gray and points to a blue rounded rectangle containing the text "\_\_random\_\_".

yes

no

done
